Index to Volume 137

The annual index is organized by first author and by title. Page numbers refer to the following issues:

Number 1 (January): 1–112
Number 2 (March): 113–208
Number 3 (May): 209–304
Number 4 (July): 305–400
Number 5 (September): 401–512
Number 6 (November): 513–640

AUTHOR INDEX

Antonietti, A., & Mellone, R. *The difference between playing games wih and without the computer: A preliminary view.* 133–144.

Avery D. R. *Personality as a predictor of the value of voice.* 435–446.

Commons-Miller, L. A. H., & Commons, M. L. *Recognizing specialized terminology presented through different modes.* 622–636.

Cramer, D. *Acceptance and need for approval as moderators of self-esteem and satisfaction with a romantic relationship or closest friendship.* 495–505.

Cramer, D. *A cautionary tale of two statistics: Partial correlation and standardized partial regression.* 507–511.

Cramer, D. *Facilitativeness, conflict, demand for approval, self-esteem, and satisfaction with romantic relationships.* 85–98.

Day, L., & Maltby, J. *Belief in good luck and psychological well-being: The mediating role of optimism and irrational beliefs.* 99–110.

Ferraro, F. R., Andres, M., Stromberg, L., & Kristjanson, J. *Processing fat-related information in individuals at risk for developing an eating disorder.* 467–475.

Ferraro, F. R., & Gabriel, M. *Preservation of implicit memory in adult children of alcoholics.* 373–380.

Ferraro, F. R., King, B., Ronning, B., Pekarski, K., & Risan, J. *Effects of induced emotional state on lexical processing in younger and older adults.* 262–272.

Ferraro, F. R., & Olson, L. *False memories in individuals at risk for developing an eating disorder.* 476–482.

Hall, R. E. *Skin color as post-colonial hierarchy: A global strategy for conflict resolution.* 41–53.

Hall, S. E. K., & Geher, G. *Behavioral and personality characteristics of children with Reactive Attachment Disorder.* 145–162.

Kitsantas, A., Gilligan, T. D., & Kamata, A. *College women with eating disorders: Self-regulation, life satisfaction, and positive/negative affect.* 381–395.

Koch, C., & Koch, E. C. *Preconceptions of taste based on color.* 233–242.

Kreiner, D. S., Altis, N. A., & Voss, C. W. *A test of the effect of reverse speech on priming.* 224–232.

Krysanski, V. L. *A brief review of selective mutism literature.* 29–40.

McCutcheon, L. E., Ashe, D. D., Houran, J., & Maltby, J. *A cognitive profile of individuals who tend to worship celebrities.* 309–322.

Mirzamani, M., & Bolton, D. *Mothers' psychological adjustment following disaster affecting their children.* 54–62.

Neto, F., & Barros, J. *Predictors of loneliness among students and nuns in Angola and Portugal.* 351–362.

Netz, Y., & Lidor, R. *Mood alterations in mindful versus aerobic exercise modes.* 405–419.

Oman, R. F., & Oman, K. K. *A case-control study of psychosocial and aerobic exercise factors in women with symptoms of depression.* 338–350.

Opt. S. K., & Loffredo, D. A. *Communicator image and Myers–Briggs Type Indicator extraversion–introversion.* 560–568.

Pease, M. E., McCabe, A. E., Brannon, L. A., & Tagler, M. J. *Memory distortions for pre-Y2K expectancies: A demonstration of the hindsight bias.* 397–399.

Persinger, M. A. *The sensed presence within experimental settings: Implications for the male and female concept of self.* 5–16.

Pollio, H. R., Anderson, J., Levasseur, P., & Thweatt, M. *Cultural meanings of nature: An analysis of contemporary motion pictures.* 117–132.

Popovich, P. M., Scherbaum, C. A., Scherbaum, K. L., & Polinko, N. *The assessment of attitudes toward individuals with disabilities in the workplace.* 163–177.

Rikers, R., Winkel, W. T., Loyens, S., & Schmidt, H. *Clinical case processing by medical experts and subexperts.* 213–223.

Ross, S. R., Rausch, M. K., & Canada, K. E. *Competition and cooperation in the five-factor model: Individual differences in achievement orientation.* 323–337.

Ryska, T. A. *Sportsmanship in young athletes: The role of competitiveness, motivational orientation, and perceived purposes of sport.* 273–293.

Sakalli-Ugurlu, N. *How do romantic relationship satisfaction, gender stereotypes, and gender relate to future time orientation in romantic relationships?* 294–303.

Sato, T. *Sociotropy and autonomy: The nature of vulnerability.* 447–466.

Shean, G. D. *Is cognitive therapy consistent with what we know about emotions?* 195–208.

Staats, S., & Pierfelice, L. *Travel: A long-range goal of retired women.* 483–494.

Tam, S-F., Chan, M. H., Lam, H. W., & Lam, L. H. *Comparing the self-concepts of Hong Kong Chinese adults with visible and not visible physical disabilities.* 363–372.

Tan, H. H., & Zhao, B. *Individual- and perceived contextual-level antecedents of individual technical information inquiry in organizations.* 597–621.

Ter Laak, J. J. F., Olthof, T., & Aleva, E. *Sources of annoyance in close relationships: Sex-related differences in annoyance with partner behaviors.* 545–559.

Tjosvold, D., Johnson, D. W., Johnson, R. T., & Sun, H. *Can interpersonal competition be constructive within organizations?* 63–84.

Uruk, A. C., & Demir, A. *The role of peers and families in predicting the loneliness level of adolescents.* 179–193.

Van Eerde, W. *Procrastination at work and time management training.* 421–434.

Vodanovich, S. J. *Psychometric measures of boredom: A review of the literature.* 569–595.

Wagstaff, G. F., MacVeigh, J., Boston, R., Scott, L., Brunas-Wagstaff, J., & Cole, J. *Can laboratory findings on eyewitness testimony be generalized to the real world? An archival analysis of the influence of violence, weapon presence, and age on eyewitness accuracy.* 17–28.

Winer, G. A., Rader, A. W., & Cottrell, J. E. *Testing different interpretations for the mistaken belief that rays exit the eyes during vision.* 243–261.

Zhang, L-F. *Contributions of thinking styles to critical thinking dispositions.* 517–544.

TITLE INDEX

Acceptance and need for approval as moderators of self-esteem and satisfaction with a romantic relationship or closest friendship. *Duncan Cramer.* 495–505.

Behavioral and personality characteristics of children with Reactive Attachment Disorder. *Sara Elizabeth Kay Hall & Glenn Geher.* 145–162.

Belief in good luck and psychological well-being: The mediating role of optimism and irrational beliefs. *Liza Day & John Maltby.* 99–110.

A brief review of selective mutism literature. *Valerie L. Krysanski.* 29–40.

Can interpersonal competition be constructive within organizations? *Dean Tjosvold, David W. Johnson, Roger T. Johnson, & Haifa Sun.* 63–84.

Can laboratory findings on eyewitness testimony be generalized to the real world? An archival analysis of the influence of violence, weapon presence, and age on eyewitness accuracy. *Graham F. Wagstaff, Jo MacVeigh, Richard Boston, Lisa Scott, Jo Brunas-Wagstaff, & Jon Cole.* 17–28.

A case-control study of psychosocial and aerobic exercise factors in women with symptoms of depression. *Roy F. Oman & Kimberley K. Oman.* 338–350.

A cautionary tale of two statistics: Partial correlation and standardized partial regression. *Duncan Cramer.* 507–511.

Clinical case processing by medical experts and subexperts. *Remy Rikers, Wilco Te Winkel, Sofie Loyens, & Henk Schmidt.* 213–223.

A cognitive profile of individuals who tend to worship celebrities. *Lynn E. McCutcheon, Diane D. Ashe, James Houran, & John Maltby.* 309–322.

College women with eating disorders: Self-regulation, life satisfaction, and positive/negative affect. *Anastasia Kitsantas, Tammy Dew Gilligan, & Akhito Kamata.* 381–395.

Communicator image and Myers–Briggs Type Indicator extraversion–introversion. *Susan K. Opt & Donald A. Loffredo.* 560–568.

Comparing the self-concepts of Hong Kong Chinese adults with visible and not visible physical disability. *Sing-Fai Tam, Mei Hing Chan, Hoi Wa Lam, & Lai Hing Lam.* 363–372.

Competition and cooperation in the five-factor model: Individual differences in achievement orientation. *Scott R. Ross, M. Karega Rausch, & Kelli E. Canada.* 323–337.

Contributions of thinking styles to critical thinking dispositions. *Li-Fang Zhang.* 517–544.

Cultural meanings of nature: An analysis of contemporary motion pictures. *Howard R. Pollio, John Anderson, Priscilla Levasseur, & Michael Thweatt.* 117–132.

The difference between playing games with and without the computer: A preliminary view. *Alessandro Antonietti & Rosa Mellone.* 133–144.

Effects of induced emotional state on lexical processing in younger and older adults. *F. Richard Ferraro,*

Brent King, Beth Ronning, Krista Petarski, & Jessica Risan. 262–272.
Facilitativeness, conflict, demand for approval, self-esteem, and satisfaction with romantic relationships. *Duncan Cramer.* 85–98.
False memories in individuals at risk for developing an eating disorder. *F. Richard Ferraro & Lindsey Olson.* 476–482.
How do romantic relationship satisfaction, gender stereotypes, and gender relate to future time orientation in romantic relationships? *Nuray Sakalli-Ugurlu.* 294–303.
Individual- and perceived contextual-level antecedents of individual technical information inquiry in organizations. *Hwee Hoon Tan & Bin Zhao.* 597–621.
Is cognitive therapy consistent with what we know about emotions? *Glenn D. Shean.* 195–208.
Memory distortions for pre-Y2K expectancies: A demonstration of the hindsight bias. *Meridith E. Pease, Amy E. McCabe, Laura, A. Brannon, & Michael J. Tagler.* 397–399.
Mood alterations in mindful versus aerobic exercise modes. *Yael Netz & Ronnie Lidor.* 405–419.
Mothers' psychological adjustment following disaster affecting their children. *Mahmoud Mirzamani & Derek Bolton.* 54–62.
Personality as a predictor of the value of voice. *Derek R. Avery.* 435–446.
Preconceptions of taste based on color. *Christopher Koch & Eric C. Koch.* 233–242.
Predictors of loneliness among students and nuns in Angola and Portugal. *Félix Neto & José Barros.* 351–362.
Preservation of implicit memory in adult children of alcoholics. *F. Richard Ferraro & Melissa Gabriel.* 373–380.
Processing fat-related information in individuals at risk for developing an eating disorder. *F. Richard Ferraro, Melissa Andres, Lisa Stromberg, & Jeannie Kristjanson.* 467–475.
Procrastination at work and time management training. *Wendelien Van Eerde.* 421–434.
Psychometric measures of boredom: A review of the literature. *Stephen J. Vodanovich.* 569–595.
Recognizing specialized terminology presented through different modes. *Lucas Alexander Hayleigh Commons-Miller & Michael Lamport Commons.* 622–636.
The role of peers and families in predicting the loneliness level of adolescents. *Ayse Ciftci Uruk & Ayhan Demir.* 179–193.
The sensed presence within experimental settings: Implications for the male and female concept of self. *Michael A. Persinger.* 5–16.
Skin color as post-colonial hierarchy: A global strategy for conflict resolution. *Ronald E. Hall.* 41–53.
Sociotropy and autonomy: The nature of vulnerability. *Toru Sato.* 447–466.
Sources of annoyance in close relationships: Sex-related differences in annoyance with partner behaviors. *Jan J. F. Ter Laak, Tjeert Olthof, & Elisabeth Aleva.* 545–559.
Sportsmanship in young athletes: The role of competitiveness, motivational orientation, and perceived purposes of sport. *Todd A. Ryska.* 273–293.
A test of the effect of reverse speech on priming. *David S. Kreiner, Nicole A. Altis, & Carla W. Voss.* 224–232.
Testing different interpretations for the mistaken belief that rays exit the eyes during vision. *Gerald A. Winer, Aaron W. Rader, & Jane E. Cottrell.* 243–261.
Travel: A long-range goal of retired women. *Sara Staats & Loretta Pierfelice.* 483–494.
